

***A Divine Message of Hope and Love
“Now is the Time to Ready Yourself
So, what else is there to do?”***

I was so humbled when I looked at the Statistics of the website and found that folks had visited the website on Christmas Eve, the day after Christmas and even Christmas Day. They are like me, they are seeking to uncover, discover something the Lord has for them - putting away everything else and just seeking what might be shared - a new tidbit of knowledge or morsel of understanding. I asked the Lord once again what He wanted to share with His people and I received this message:

From 12/29/2020: “Debbie do you hear Me? Do you hear Me, Debbie? Do you really, really hear Me? Now is the time to ready yourself for what you never ever wanted to happen. Your gates are secure. Your storehouse is filled. Your electronics are protected. Everything is wrapped up, buttoned up and locked up. **So what else is there to do?**”

When you were a little girl and you were facing a difficult task, what did you do? You would run to your mother and let her show you what she knew that you did not. Debbie, you now run to Me and let Me show you what you do not know, help you get what you do not know you need, help you prepare in ways that you do not know exists, help you see what you cannot see. Who am I to you, Debbie? I am more than your friend. I Am as I Am.

When Life as you have lived it ceases, you will run to Me with great sorrow, but also **with** great expectation to help you be/do what you have been created to be/do. What awaits you, you cannot imagine - you don't have the capability to comprehend. You know where you have come from and that we have journeyed a great journey together, but you are approaching the beginning of what you have been created to be/do. You say your hair is white and your energy is lacking, but you don't know all you understand that others have yet to understand. You see you carry in you a passion/a desire, driven by your heart. You have a young person's desire to be/do as you have been created. You have a desire that all come to know Me as you. For this is your way, Debbie.

Tomorrow is a new day - filled with opportunities and Hope, overflowing and treasure to be discovered. Today is giving up or has given its treasure and Yesterday gave strength and understanding for today. Look to each day to discover its treasure. The treasure of wisdom, truth, and understanding for these will fortify you.”
