

# *A Divine Message of Hope and Love*

## *Thanksgiving, 2020*

I was filled with great anticipation; so eager to share with the Lord how “Thankful” we were for all the blessings that He has given us throughout the year and receive His message/writing for this day. We keep a “Blessings list,” a sheet of legal size yellow lined paper on our Refrigerator’s door and it is filled to overflowing of all the blessings we have received this year. It is a continuous reminder to us of the goodness and Faithfulness of our Heavenly Father. We are so, so thankful for all the Lord does and has given us - even holding our marriage together in difficult times. I wanted you to understand the context in which this writing was received - and understanding we are not parents while on this planet and our own parents have all long gone to be with the Lord in Heaven. I did, also, ask the question, “. . . Evil seems to be saturating our nation. Help us know what we need to know and do what You need us to do for Your Kingdom.” This writing begins with “Do you know Me?” where other writings have begun with “Do you hear Me?”

From the Lord through the Holy Spirit, a writing dated 11/25/2020: “Debbie, Do you know Me? Do you know Me, Debbie? Do you really, really know Me? Then know I will never destroy your nation in a way others have said I would. You see, I love the people of your nation. I love the people of the Earth. Not only, am I their Creator, but I am also the One who gave His life so they could have eternal life with Me in Heaven. How then would I desire My people to cease to exist. Debbie, you know this to be true. But, do My people?”

What have those who “speculate” told My people? They have told them that sin of some is the end of all. Is that what has been shared through My friends - those who wrote about their accounts of Me when I was on the planet and before, written by those who had great expectancy of My coming to the planet? Did I say that I would destroy My own people and therefore terminate the existence of My Kingdom on your planet? Debbie, why do they say these things? Have they sought Me with their whole Hearts, minds, and souls? Have they journeyed the journey of the wilderness path where their hearts are cleansed and purified of their selfish self-centered nature? Have they taken time to sit at My feet and learn from Me? Do they come to Me and ask what I desire they share? They say they love Me, Debbie. But I’m like a parent who has sacrificed for years to empower their child to be successful and then the now successful child is too busy to contact the parent. And the parent longs to hear from their child and when the child does contact them, all the child can do is moan and groan about what is wrong in their life. Debbie, I hear about all the difficulties, all they want, all the unfairness, all the moans and groans, but little do I hear about how they feel blessed. And, why? Because the selfish self-centered nature is never satisfied; it constantly demands to be fed. And it is fed at other’s expense and sacrifice, as well as losses. This is the way of your nation. Debbie, not only those who do not know Me, but one’s who say they Love Me.

Today you know this to be true and you know that you know it. When life as you have lived it ceases, what is known about living one’s life in your nation will change. Change will come immediately, but change in men’s hearts will be gradual. The ways of “today” will be replaced with living life more abundantly - My ways. And you know this to be true as well. **It’s Time, Debbie!**

Are you Ready? Are you Ready, Debbie? Are you Ready? What is left to be done? My people need to know I’m waiting for them to seek Me with their whole hearts, minds, and souls. I’m not the executioner; I am their Heavenly Father.”

Note: This does not negate the fact that the world system will fall (a crisis will come,) but it will be “evil (“men who are deceived by evil”) who will unleash its fury on the unsuspecting.” And, the Lord has promised “what evil meant for our destruction, He will turn around for the good of His Kingdom,” from Genesis 50:20 and has been shared many times in my writings and shared at this website.
