

## *A Divine Message of Hope and Love*

### *“Do You Hear the Sounds of War Drums Pounding?”*

From a writing\* dated 1/7/2021: “Debbie, Do you hear Me? Do you hear Me, Debbie? Do you really, really hear Me? Do you hear the sounds of war drums pounding. What you do not know and what was never to happen is about to happen. As those, leaders in your nation, have been consumed with election fraud, cheating and cover-up, and time with their families, the drums of war have begun. War like you have never imagined could happen, that no one has ever seen on the planet, is about to break forth and leaders are acting as if they are indignant with the people of your nation who seek justice. Do they know what is about to break forth? Are they ready? Have they prepared the people of your nation? Have they consulted Me for an answer to their dilemma? Debbie, those who have committed fraud to deceive My people will soon, very soon, be exposed. Will that stop the war drums from pounding?” (I ended the writing.)

Continued on 1/10/2021:

Debbie asks: “Lord, the people may not have consulted You, but is there anything You would like to share with them? There is so much chaos, confusion, disgust and anger. This is Your website, Lord, to share with Your people.”

“Debbie, Do you hear Me? Do you hear Me, Debbie? Do you really, really hear Me? NOW! RIGHT NOW! AT THIS TIME, Debbie, DO NOT DELAY! Prepare! Prepare! Prepare! Prepare to Shelter In as you have been shown. There have been teachers sent. There have been prophets sent. I have provided messages in the skies using stars and planets. Do You HEAR ME? Prepare to go to your Shelters! What you cannot imagine is about to happen just as you have been shown. Tall Buildings in Cities will turn to onerous heaps of debris. Ash, Ash, Ash will cover your nation. Food and water distribution will be halted. Those who want only to kill, steal, and destroy will roam your streets looking for stragglers to devour, like predators. You must seek Shelter and Security.

Seek ME and I will help you discover what you need to know! This is not a time to pause and survey and ponder - this is a time to take actions. I have many times, as you know, Debbie, shared with you that I could scream from Heaven but they just can't hear. Some come to Me, but they can't hear Me for their own thoughts and petitions. Debbie, you know what I have shared to be true. You look to the riders of the horses. What are they saying, Debbie? This is a time like never before. It is a time when those who can hear My voice must plan to Shelter/Cover.”

Note: The purpose of this website is sharing with you what you may not know using our own personal experience by the Lord's leading through the Holy Spirit. We know, without a doubt, the worst day in our nation's history is coming. We have shared with you, the why, how, where, and who. We have shared that it will be evil using men who are deceived by evil that will cause the destruction/devastation to come to our nation. We have shared that our Heavenly Father has a plan to take what evil has meant for our destruction to turn it around for the good of His Kingdom. He is not the judge/executioner; He is our Heavenly Father that we are to seek with our whole heart, mind, and soul. We do not know the when? But like the sons of Issachar we do know the season. You have to pray and seek for yourself your path. We have already evaluated our own; we have done all that we have been shown to do to prepare as we have provided to you in “Practical Prepping God's Way” located at this website. To not share this message with you for fear we cannot do. We only share what we believe to be true. Remember, we were told to watch the riders on the horses (nations) and listen to their rider's chatter (leaders.) You now have what we have to make a decision that is right for you.
