

A Divine Message - His Answer to the World's Ways!

So, what makes a “Divine Message” different from the others at this website? After all, all the messages shared are from the Lord through the Holy Spirit. Other messages are ones of writings* I have gathered together (some, span several years and were given specifically to me which I, now, share with you,) but a “Divine Message” comes directly from His Heart to be delivered to your Heart—through my heart. It is a message the Lord wants His People to know, now, at the time given.

From 6/5/2020: Debbie: “Lord, there is so much unrest and confusion and chaos across our nation. Lord, would You like to share something on the website.”

His response: “Debbie, Do you hear me? Do you hear me, Debbie? Do you really, really hear me? Today is a day like many, but unlike any you have experienced before. Today, as you look out your window, the view has changed little. But as you have watched (Debbie adds: by YouTube/ROKU,) there is unrest throughout your nation. They march and march in protest for what is said to be an injustice for the death of one man. Yet they riot and loot and carry out injustices against those who are innocent and had nothing to do with the death of one man. This is the way of those who seek not My ways, but the ways of the world system. To cause injustice for many as a result of the death of one does little to alleviate the true injustice which is the injustice that has been done to Me and My Kingdom.

Do they seek Me, Debbie, to learn and follow My ways? What is the true motivation for their discontent and anger? Is what they seek found by riots, protesting, and causing chaos and confusion across the land? To seek Me with one's whole heart, mind, and soul is where the answer they seek is found. To love one another as one loves themselves is the command they were given to live their lives by. To love one another requires one to look into their own hearts, first, before looking to find the faults of another. It is the selfish self-centered ways of the world's ways that causes one to feel entitled and that others should live life the way they say life is to be lived. The problem becomes who is deciding what that way is to be.

Mourn for the loss especially when one takes another's life—again out of their selfish self-centeredness. But the nation will never be healed by those who know only of the world's ways—it is only by seeking Me with their whole hearts, minds, and souls, with their very being, will true justice prevail. The hearts of My people must be cleansed and purified—rid of their selfish self-centered ways which are driven by the ways of the world. This is what you know to be true. This is why the destruction and devastation will come and will usher in a “New Day” where My people will hear My voice and follow the Lord with the leading of the Holy Spirit. Then, My people will truly know how to Love One Another as they Love Themselves as they Love their God with their whole Heart, Mind, and Soul.”

Debbie
