

A HOUSE DIVIDED AGAINST ITSELF, CANNOT STAND

(Quoted by Abraham Lincoln)

In Amos 3:7 NCV, we read: “Before the Lord God does anything, he tells his servants the prophets.” The websites of those I believe are true prophets are saying, “Time is Up” or “Babylon is Falling/Fallen.” In my writings, I have never been shown to be a prophet; the title I have been shown is “Ambassador of Hope.” My mission is not that of “warning anyone” or even “mercy,” it is that of “Awakening.” So when I read what others were saying, I once again “ran” to the Lord and this is the writing I received on 11/20/2020:

Debbie: “Lord, we are another day closer to the difficulties coming. Lord, what do we need to do to prepare? And, would you like to share something with Your people?”

His Response: “Debbie, Do you hear Me? Do you hear Me, Debbie? Do you really, really hear Me? Today is the beginning of what you know to be true is coming. **Did you hear the message today?** Those in your nation have no idea what is coming - what is on their doorstep. What are their concerns? They are so filled with Deception that they are unable to see the real threat that threatens your nation. Do you hear it? It was so blatantly revealed that it was almost impossible to overlook. What was it Debbie? What was revealed today? When life as lived it ceases, everyone will understand what they didn’t understand today. You see, those in your nation are consumed/are filled with Deception. They believe there is no way that their nation can come under attack from another nation. They are smug in their understanding that life as you live it now, and has been lived in the past, will continue the same. They think they can continue the same. They think they can continue to live their lives as they have lived them – continuing to shun My ways for living their lives and refusing Me - to help them live lives more abundantly. It should be abundantly clear and forthright that assumptions that have been made and continue to be made by people of your nation, have been made in error. My ways are to love My people as they love Me and One Another. **Where is the love, Debbie? Do they love One Another or do they seek to cause others to even cease to exist in order for their own plans and agendas to be carried out.**

Today was revealed a truth that all in your nation should have received and understood, but they were so consumed in carrying out Deception, as others fight against Deception, that they were blinded. This is their way, Debbie. My people are ever watching and seeking Me in order to be/do as they were created to be/do. These others remain blinded - consumed by the evil ways of Deception to control/manipulate My people. They will not see what is coming until it is erupting all around them. Until then, they will continue on their path of Deception. When life as lived it ceases, they will know what you know and you knew it.”

After receiving this message, I searched ROKU YouTube to find what news I had missed. I couldn’t figure out the message of “Did you hear the message today?” We look for the Lord to share with us “our way,” but I have found the Lord shares with us in a way that causes us to “Seek Him” for the answer. It was like a puzzle that I couldn’t solve. So I reviewed each line of the message and I realized the “threat to our nation” was “Division.” And once I shared that with my husband, he shared with me the message I had missed. You see, Jesus commanded us to “Seek God and Love One Another.” John 13 34-35. The writing says, “Where is the love, Debbie?” The message of the writing is: **“A House Divided Against Itself Shall Not Stand.”** So where did I first hear that said? In Pastor Dana Coverstone’s dreams - One called the “Data Dream that describes the lights being switched off on December 17” and one called the “Abraham Lincoln Dream.” And, in the dream about “Benjamin Franklin,” we are shown when Benjamin Franklin asks in the dream: “I guess we are no longer a Republic?” The reply was (in the dream) “No, its Mine now as is the whole Earth.” “A House Divided Against Itself Shall Not Stand” seems to be a theme that is being repeated over and over—if not in words, but in actions in our nation.

I was then reminded of someone who I truly believe was a modern day Prophet, Pastor David Wilkerson. He would have declined that notion and told you he was a “Watchman.” More is shared about his teachings in our “Practical Prepping God’s Way” section at this website under a title, “Was David Wilkerson right?” In his book, “Set the Trumpet to Thy Mouth,” on page 15, he wrote: **“The enemy will make its move when we are weak and helpless.”** If we evaluate the condition of our nation at this time, we are very vulnerable to attack - especially in mid December: the Covid-19 vaccine is not available to most if folks would need to be sheltered, the potential for civil unrest is off the scale; our nation is so divided, and Winter weather is coming. NK has announced it plans to present its new “Strategic Weapon” sometime in December; remember they paraded their “monster” missile on 10/10/2020. It is mind boggling what China is doing, <https://www.youtube.com/watch?v=-TQOBygvxBY> and Russia and China seem to be expanding into Africa.

From a writing dated 11/7/2012, days after that election: “Today, Debbie, it is as if you are drifting like so many times, but not like many, today you see what you see and you know what you know and you know it. What you see has not happened yet, yet you have readied yourself; prepared in all ways: mental, emotional, physical, and in your relationship with Me. So when you see what you have been shown emerging/coming, what is your response?”

Physically, you have prepared fences, gates, shelter areas, body, food storage and you have even prepared your food sources for protection.

Mentally, you seek a greater source (Me) for understanding and knowledge than your own abilities.

Emotionally, you have sought/allowed Me to help you face your fears and also to help you overcome your own deception and be free to understand truth as well as others.

Relationship with Me. You have grown/learned to run to Me when you become overwhelmed or when you start to drift and panic. You have walked the path of trust and faith and know of Hope. So these are the **TOOLS** you have been given. You have Truth, Knowledge, Understanding, and Wisdom. You have My counsel.”

A note from David Wilkerson from his book, “America’s Last Call.” Page 171. “The Holy Spirit is the voice of God in and to us! If you have the Holy Spirit abiding in you, He will instruct you personally. Please know He doesn’t speak only to pastors, prophets, and teachers; He speaks to all followers of Jesus. The early believers were led everywhere and in everything by the Holy Spirit!” He goes on to say, “I am convinced God speaks only to those who, like Moses, come and stand by Him. This means we have to spend quality time with the Lord daily—waiting on Him to open our hearts fully to hear His voice, not being rushed in His presence, believing He loves to speak to us. He won’t keep anything from us, and He’ll never allow us to be deceived or left in confusion.”

There are many questions to consider after reading the treasures David Wilkerson left for us. But if we look to find the truth in what is really happening in the world I truly believe that Pastor Dana Coverstone is receiving dreams at this time to help us understand, as well. In 2 Timothy 3:2, we read: “Men will be lovers of themselves...” We have become a “narcissistic nation” bent of destruction/imploding. Some will see what happens as God’s Judgement; as one of the ones He calls, “friend,” I see there is no other answer and that is why we must STAY READY and prepare to follow Him into the Wilderness - the Path to Overflowing Hope.
