

FIRST, IT'S A TEN - AND THEN A TWENTY  
CAN NUMBERS REVEAL HIDDEN TREASURE TO US?

As I have shared in previous messages, from the Lord through the Holy Spirit, I received a writing on 7/31/2016: "... You (my husband and I) are prepared in ways few understand. Knowledge is scattered and accessibility is hidden—only for those who have great understanding and desire to find. Debbie, **I want My people to have access to knowledge and understanding** that both you and he have—consolidated and accessible. ...” So, this is what we have been “watching” the past couple weeks and want to share with you. But first, I want to share with you why we feel “numbers” have great significance to God’s people.

Upon reaching my own Jericho experience, I realized that I had had my own wilderness journey of almost 13 years - much like that of the Israelites in the desert. I didn’t know at that time Christians could have such an experience, but looking back I saw all the components from my own “Parting of the Red Sea to reaching my own “Promised Land (which was freedom from my approval addiction as a result of my own selfish self-centered nature and learning to live my life, God’s way.) This is all documented in “the Path to Overflowing Hope; the New Day” at this website. When I discovered this understanding, I sought to learn more about the workings of God’s ways. I learned that God uses patterns and even numbers to help us, in addition to dreams and visions, Bible Scripture, writings, people - basically any way and anything He can possibly use to get our attention in order to share with us. With that understanding, I want to share, through my writings, about how the Lord has shared with me using numbers, as well as, relay some very timely/important information that I have discovered this month.

I recently learned, through first seeing a YouTube Video and then purchasing a book by Troy A. Brewer, Numbers that Preach, as well as confirming through other sources I will list at the end of this message, that the #10 is very, very significant in God’s Kingdom. Of course, we all know of the “Ten Commandments.” There are various interpretations but Troy Brewer writes: “10 has to do with God setting things up for His purpose.” I want to share with you what the Lord gave me in a writing dated 10/10/10. Please remember, I had no idea that our website would reach around the world at that time; I thought maybe I would be able to share with some folks in some local churches what the Lord had shown me. The website didn’t take off until 2014.

From 10/10/10: “... Today as in never before, new things are going to begin to happen. You are going to feel as though you have been lifted up on wings that have the power to take you farther than you ever thought imaginable. First, there will be a path that will take you to the hearts of men and women who will look to you to be their guide from the unbelievable to the inconceivable to the unimaginable, to reality, to reason, and to what was never meant to happen, but did.

As you begin this journey, you will use two tools. You will need the **power of resonance** to break down walls and you will need the **power of a heart full of compassion** to identify concerns and address those concerns in love. The path will start out small and will begin to branch out. As it does, so your power to be an influence will begin to build; (there was about a page of “resistance” I would face and encouragement.) When you encounter walls and obstacles that you have tried to break through with resonance and yet they are unable to be scaled or broken down, look for another path. These are places designed to drain and deplete you. You already have everything you need; those who have influence needed are in the path already before you. Think of yourself as a bee that goes from one flower to another - gathering in as it goes; all with the goal of pollenating/bringing what is necessary for life as you encounter others. Don’t lose focus that I Love Them. If they refuse to cooperate with you, I have another plan for them outside of the one I have for you. Yours is to be filled with Hope, overflowing, with Joy, unspeakable. Theirs will require time in the Sea of Despair. Two groups that emerge with understanding that God Loves Them. One will come from a shower of Blessings of Hope, Beauty, and Peace. The other, from Despair, Grief, and Pain. I can use both to change men’s hearts. One is willingness to change through education and My leading. The other is

Pain and sorrow and grief as one is rid of the chains and tethers that enslave them. It is up to each person which path they choose and that is decided by their willingness to love your neighbor as yourself.”

I shared this writing not only for its great content, but the specific instructions that I was given on 10/10/2010. As Troy Brewer wrote: “10 has to do with God setting things up for His purpose.”

So, what about the #9. According to Troy Brewer and others, it can mean “fruit bearing” or “judgement.” This was a portion of the writing from 9/9/09. “... You know how difficult it was to leave behind the safety and security of your family to travel to new places with new faces. However, now, you and I go together; you never have to be alone. ... Do they know how much I Love Them? Do they know I will turn what evil means for their destruction around for the good of My Kingdom of which they are a part? Do they know that the journey through the wilderness will lead to their Promised Land? Do they know about the New Day? Do they know when all around seems as though it is lost, I will bring beauty from ashes? Debbie, you know all this and more. But do they? This will be your New Directive. Tell Them.

.... Debbie, what was never thought could possibly happen, you and all you know and more will see. Some will be caught in the midst of the destruction and they will come to live with Me. Some will be overcome with grief and sorrow as the losses will be immeasurable. Some will see from a distance the destruction, but will suffer tremendous loss as they are forced to leave their homes and seek safety. Some will not have to leave their homes, initially, but will find it beyond their ability to even be able to stay in their home. What you will see will be like a migration of people from their safety and security of the home they know and find comfort to the unknown, unfamiliar, and even unsafe place they will be provided. This was not My making, Debbie, evil will unleash its fury on the unsuspecting and chaos, confusion, and mayhem will result. Even those trained to help will be of little to no comfort; the masses will prove overwhelming.”

How about #12? According to Troy Brewer, “When God wants to show us He is ruling and that there is a perfect plan, He likes to use the number 12 in His language.” Do you know what happened on 12/12/12? North Korea launched a satellite into orbit. Until this date in my writings, it had always been that “**evil will unleash** its fury on the unsuspecting.” This date, the writing changed. “... Listen, Debbie, Listen. Listen, Can you hear the shrieking of the vultures. They are excited, Debbie. What they desire most is coming. Debbie, **evil has unleashed** its fury and multitudes are suffering throughout the world. Those in your nation carry on trudging through the muck and mire as though there is no need for concern. What they do not know has not been revealed to them. They walk blindly, filled with deception, like lambs to the slaughter. Yet men who are deceived by evil seek ways to cause their lives as they live them to cease. .... This will not be a time for you to be running to and fro; you have a place of safety to cover/shelter. They are shrieking with delight, Debbie. They have a victory; that which will be to them your nation’s greatest defeat/demise. But I will work that which was meant for your nation’s destruction into that which is good for My Kingdom ....”

Over the years, I have accumulated material, first on dreams and symbols to interpret them, but as you can see, I also have acquired a huge interest in numbers and their meanings. When Troy Brewer’s book arrived the first of October, it rekindled my interest, especially, as I started matching what he said with my own writings. I hope by sharing the writings with the dates I have shared, that you, too, will see the significance as I share further.

We have already shared that the #10 is very significant. So what about #20? According to various material I have accumulated, it means “Redemption,” especially at the end of 20 years of waiting. In his book, Troy Brewer uses the examples that “for twenty years Israel waited for deliverance through Sampson (Judges 15:20; 16:31,)” as well as others. But most of my other sources indicate “Redemption.” Could it be the year we “return” - the collapse of the ways of the world and our returning to God’s Ways?

So what happened on 10/10/2020? Were you watching? I was amazed to see a North Korea military parade with a “Monster” ICBM/missile. It was huge. And it was very important to listen to what the leader, Kim Jung Un shared with his nation that now they were secure against any country who threatened them. He also announced that in December NK would “unveil a strategic weapon.” This was mentioned in late December, 2019, as well during their plenary talks of a couple of weeks.

So, with my rekindled interest, I was eagerly awaiting 10/20/2020 to see what I would be shown and I was not disappointed. First of all, I discovered that our website had reached 83,338 Hits per this date, thanks to folks like you. Osiris Rex, a NASA Spacecraft touches Asteroid Bennu, 200 million miles away from Earth, returning on 9/24/2023 (Yom Kippur—9/25/2023.) There was a Meteor Shower, Orionid. We got up at 5:00 a.m. the next morning to observe. (see writing for significance.) Russian Bombers and planes threatened Alaskan Air Space for over an hour. Israel/Bahrain/UAE signed a “Memo of Understanding” regarding business and trade on 10/19/20. Pat Robertson of the 700 Club provided a prophetic message of what he believes is coming. . <https://www.youtube.com/watch?v=LAUbsx5iUFk> (I agree except I do not think an asteroid is coming for quite some time.) And Pastor Dana Coverstone\* had a dream that referred to December 17, a date I have a great interest in. And in this dream, called the Data Dream, he shared about the Liberty Bell. We looked up its inscription, according to the US National Park Service, “Proclaim Liberty Throughout All the Land Unto All the Inhabitants thereof.” This verse refers to the “Jubilee,” or the instructions to the Israelites to return property and free slaves every 50 years.” Leviticus 25:10. There was quite a lot happening on this date including the writing the Lord gave me.

From 10/20/2020: Debbie asks: “Lord it is 10/20/2020. Lord I have info to show this date has significance. Will you share with me what I need to understand today?”

His reply: Debbie, Do you hear Me? Do you really, really hear Me? Debbie, Do you hear Me? Then listen as if you could hear a pin drop. Far, far in the East, nations are planning the demise/destruction of your nation. These nations know nothing of My love for My people; they only know of building for war, equipping for war, and making preparations for war, as those in your nation are focused on convenience and pleasure. For this is the way of most of the people of your nation. It is coming, Debbie. You already know it is coming. ... Yet so many others have not a clue. They will look to those they respect to tell them/lead them in what they should do - not knowing the ones they trust are filled with layers and layers of deception, having never journeyed the wilderness journey.

Do they listen? Do they call out to Me for guidance and counsel? Only those who know and understand the wilderness journey and its purpose. Debbie, I have sent prophets, teachers, signs in the sky which they turned into/ watched as entertainment and fun. There has been hurricanes, wildfires, earthquakes, terrorist attacks, riots in the streets (the tearing down of monuments,) yet nothing calls them back to Me. They tend to continue to drift far from My ways and grow deeper and deeper in the ways of the world - entrenched - captive. They are blind, naked, and without their Savior to guide and direct them - they are wandering like lost sheep without a Shepherd. And, I am their Shepherd - waiting for them to seek Me with their whole hearts, minds, and souls. There is no more time left. The time is now. As the meteor shower streams across your land, soon it will be weapons of mass destruction seeking their targets and creating devastation and destruction as has never been seen before. This will be the plight of the masses; those who have listened and followed My ways will be Covered/Sheltered - safe from the effects of the Great Storm that is erupting. It is not a time to be caught unsuspecting.”

From previous message, “Ash, ...” As a result of listening to Rabbi Jonathan Cahn, I learned this was the 400th anniversary of the voyage of the Mayflower. In fact, I researched [www.history.com](http://www.history.com) and found that the Mayflower’s “passengers prepared to begin their new settlement, Plymouth Colony” on **December 18**, 1620 - a new way of living their lives. The Israelites were in Egypt for 400 years. Most folks in the USA do not realize that God sees them as captive to the world system. Therefore, the world system must collapse in order to set them free (a new way of living our lives.) Could 2020 be a “Year of Jubilee” for the USA? 50 years x 8 = 400 years? Other significant events around **December 17 & 18**: Last day of Hanukah, 2020. Catholic folks especially will know of the importance of the message of the “Children of Fatima” occurring December 17 in 1917. Another, the anniversary of Kim Jung Il’s death (father to Kim Jung Un of North Korea) is December 17 - He died in 2011

God desires us to seek Him with our whole hearts, minds, and souls. And, He does not want us to be “caught unsuspecting.” When I am given a dream by God, it requires interpretation, therefore I use a reference guide of symbols of dreams to help me interpret what the Lord is sharing. When I heard Pastor Dana Coverstone relay the words, “Brace Yourself,” I paid close attention. I had never heard those words other than my writings and the video from Nate and Christy that I refer to in the message on that topic. When I heard the date, December 17, I was really shocked, because that is the date that I had discovered/concluded had great interest to me for the reasons I have shared. So, many of Pastor Coverstone’s dreams may be difficult to understand, but seek the Lord to help you understand the message he is sharing.

\*Note: I discovered the dreams of Pastor Dana Coverstone last Spring or early Summer. What first caught my eye was the mentioning of “Brace Yourself” in his dreams. I had just added to the website two articles on “Brace for Impact” from my own earlier writings so when I heard him saying those words, it really caught my attention. I have followed each of his dreams. The first initial dreams he had summarize how the Lord shows him the warnings. He has had many. I have posted the ones that I feel share the warning message that I think is most important. He has had dreams of the persecution of the church; of course, Covid-19; for the month of September, he shared there would be a month of praying for our nation; as per his dreams, he has had dreams about the Statue of Liberty, of division in our nation, all sorts of topics, including voting and the election, but these are the ones I feel give the most understanding of my concern. I believe what he shares to be true – but you can imagine how I responded to his latest dream on **10/20/2020** – that date again, and the specific mention of the date, **December 17** – when the lights go out.

<https://www.youtube.com/watch?v=m47Y6Js1H6E> (This one was his initial three dreams.)

<https://www.youtube.com/watch?v=ydplwdhnucQ> (This one is his latest dream that references “the lights go out” and the date “December 17.” It is called the “Data Dream.”

<https://www.youtube.com/watch?v=22ylaUwcibi> (This one is noted as “Tool Boss” in YouTube – I could not find his original posting of the dream.) This dream centers around December. After a “crisis” type event.

I hope this info will help you make the choices that are right for you by the leading of the Holy Spirit. This is what has been shared with us to this date from which we make our own decisions. Listen for the leading of the Lord through the Holy Spirit. He will guide and direct your path and help you discern/know the truth.

*Debbie*
